

SummitRise is the no-cost structured student supervision program available on Wednesday mornings to families with elementary-age children. **SummitRise** begins 30 minutes before the school’s regular start time. For example, a school that normally begins classes at 9 a.m. will begin classes at 10 a.m. on Wednesdays. This same school will provide care for students beginning at 8:30 a.m. on Wednesdays for up to 90 minutes.

SummitRise will be available on all Wednesdays throughout the school year with the exception of the first day of school (August 16) the Teacher Workday (December 20).

Families already enrolled in Kids Country for Wednesday morning care will participate in **SummitRise** and see no increase in fees as a result of the late-start Wednesdays. Additionally, all other children not enrolled in Kids Country may attend the **SummitRise** program at no additional fee. If care is needed prior to the start of **SummitRise**, an additional drop-in fee will apply. The chart below provides specific **SummitRise** schedules.
