Learn about Before & After School Services

Kids Country is a before and after school care program available at every elementary school in the Lee's Summit School District. Children K-6 are able to attend before and after school, half days, and many non-school days during the calendar year, including snow days.

Children in attendance will participate in activities designed to enhance their daily education. They are given opportunities to engage in physical activity, arts and crafts, and many other activities each day before and after school. Staff are available to assist students in completing homework as well.

Full days in the Kids Country program offer the chance for students to go on field trips to locations such as Paradise Park, Sky Zone, museums, and swimming. Thematic units are designed on full days to encourage working together and enriching the student's education.

THE PROGRAM IS OPEN
MONDAY-FRIDAY 6:30AM TO SCHOOL START -
SCHOOL DISMISSAL TO 6:00PM.
